Registration is August 8, 2023. Students will be issued a locker assignment at August Registration. Students are to place Personal Supplies listed above in their locker before the first day of school. Guidelines and restrictions on locker decorations will be sent before registration day. **School Supplies are to be brought to your 1st hour teacher on August 17th (A-L) or January 3, 2024 (M-Z).**

Art Classes: Students who are assigned to an Art class will have an additional list of art supplies. Information on art supplies will be sent before August Registration.

Binders, Folders, and Dividers: Because lockers are narrow, not all classes will require a 3-ring binder. Binders 1 ½” or larger do not sit straight in the lockers. Purchase a five-pack of dividers for each binder. Only the classes listed below will require a 3-ring binder. Other classes require a sturdy folder with brads.

3-ring binders required for these classes:

9th-12th English, Biology, Zoology, Chemistry, Anatomy, Saxon Algebra II
AP Calculus - 2” wide binder with 10 dividers to keep in classroom.
