

2022 Summer Reading

Each summer, students entering the 7th-12th grade are responsible to take part in the summer reading program at Community Christian School. Students are to read the book(s) over the summer which have been assigned to their class. When they return to school in August, there will be a test or writing assignment covering the information from the reading. Your student's English teacher will be sending you an email with any necessary details for the summer reading. Please encourage your student to keep their mind active by reading the book(s) assigned to them. Each book is available on Amazon.com. If you have difficulty locating a book please feel free to contact your teacher for assistance.
